AMADOR ANNOUNCEMENTS

HALLOWEEN SAFETY:

On October 31st (Halloween), please make sure your student follows the dress code established in the Amador Valley Handbook. Student faces should be able to be seen at all times, which means masks are not an appropriate option for students. Suggestive outfits that can create distractions for students and the learning environment should also not be worn while school is in session. Our goal is to ensure all students are safe and able to continue their learning experience, even on Halloween.

Apply for the Juanita Haugen Memorial Scholarship:

The Community of Character Collaborative invites all High School seniors in Pleasanton to apply for the annual Juanita Haugen Memorial Scholarship. Long time school board member, trustee and president of the Pleasanton Unified School District, Juanita Haugen inspired the Pleasanton Community of Character initiative. In her honor, annual \$1,000 scholarships will recognize students who have a strong record of civic engagement and have demonstrated exceptional character by role modeling the traits of Compassion, Honesty, Respect, Responsibility, Integrity and Self-Discipline.

An award will be presented to a student in each of Pleasanton's three high schools. Applications are being taken for Foothill and Amador Valley students, Village will be presented at a later date.

Applications and guidelines are available online

at www.CommunityofCharacter.org. The deadline to apply is November 14, 2016. Selections will be made in late-November.

Dear Pleasanton Community,

Under aged drinking and driving occurs too often without a thought of the consequences for everyone involved. We, the students of Amador Valley High School, are working to make a difference in the choices that our peers make each day. ***Every Fifteen Minutes*** is a program that allows students to experience first hand the heartbreaking consequences of drunk driving. Without this experience, many students live with a feeling of invincibility and the mindset that "it will never happen to me." This event shows students it can happen to anyone and is why the ***Every Fifteen Minutes*** program is crucial to Pleasanton's High School Students. ***We are asking for the help of the Pleasanton Community at this time, as this program necessitates funding in order for it to be able to succeed. Please donate at gofundme.com/avhsEFM17***

We appreciate the support.

COUNSELOR ANNOUNCEMENTS:

Check the Scholarship list on Naviance regularly, and if you find one that needs a school nomination, let your counselor know two weeks before the nomination deadline.

Also, if you need any letters of recommendation for private colleges, see your counselor ASAP as counselors and teachers need at least two weeks to write your letter before you first due date. December 2 is the deadline for requesting any letters with January due dates! Counselors can also assist you with transcript request forms.

Seniors: If you are doing any Common Applications for private schools, after you invite your counselor, you must go see your counselor to submit a Transcript Request Form and discuss your letter of recommendation. Please be aware that, although you may have requested letters from your teachers, a counselor evaluation is part of your Secondary School Report on Common App. Please complete your Counselor Questions in Naviance at least two school weeks (10 business days) before your FIRST deadline on Common App. Thank you!

The Pleasanton Unified School District African American Family Network

The mission of the African American Family Network (AAFN) is to provide a forum for the families of African American students in the Pleasanton Unified School District to connect to one another and with district personnel. To provide a safe and supportive forum to provide feedback to PUSD regarding the academic and social emotional needs of our African American students.

A goal of the Pleasanton Unified School District is to empower every student we serve. The AAFN works toward this goal by connecting parents and guardians of African American students to resources.

The network is a structured opportunity for families to provide feedback and ideas, then take the information to advocate for a high quality educational experience for their children.
